

# ROBIN GUARD

**ACTION  
MYSTERY  
ADVENTURE**

The English Medieval ages, times are harsh, the English king is living abroad in exile and the law of the land has broken down. The kingdom is spilt into regions ruled by various Lords, Earls and High Sheriffs. Some are good, but many are corrupt and evil. Yorktonshire is under the control of the villainous Sir Tallyman and his henchmen, who impose heavy taxes and rule how they please. But many rose against this injustice and tyranny, travelling the land, righting wrongs where they can. One of these heroes is **Robin Guard** and his band of outlaws. Robin Guard is continuing his journey to Scotland to deliver a Quaich.\*

## Brimstones

**BY BANFF**

Brimstones, in the far north of the county of North Yorktonshire, England. A landscape of rocks and boulders, sculpted by wind, rain, snow and other rocks. An area where the strange and uncommon can and do occur.

**Goblins!**  
They roam in this area. I can't afford a fight with them.
