

**YOU! BARD!**  
Grrr!

**No fighting.**  
Otherwise out  
you both go with  
the goblins.

Oh heck!  
Er, easy  
Robin...

We have  
one other **guest**  
with us. I'll  
get him.

Meanwhile,  
I sense a story.  
**Do tell.**

Grrr.

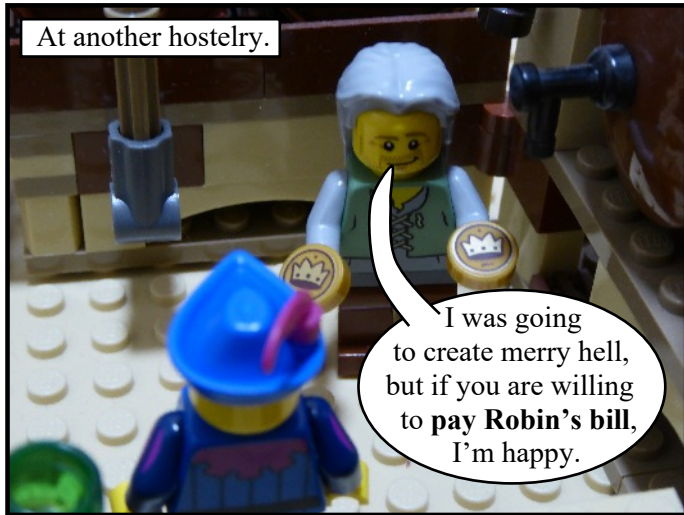

Gulp!

A few weeks ago at a hostelry.

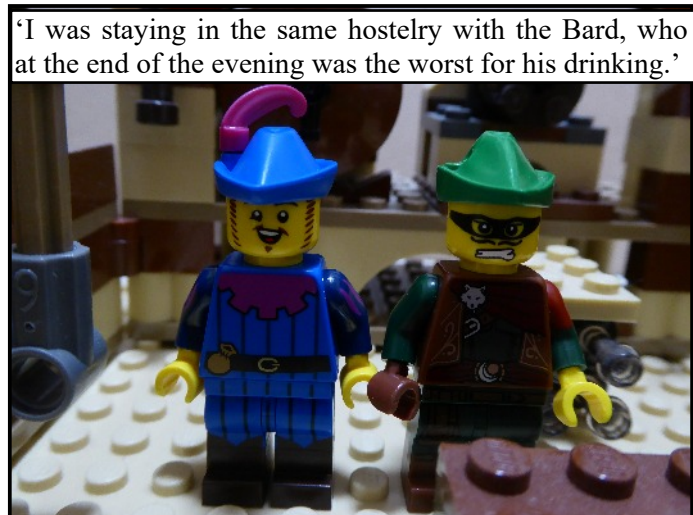

Has Robin  
Guard **been**  
here?

Been and  
gone... **without**  
**paying!** If I catch  
hold of him...

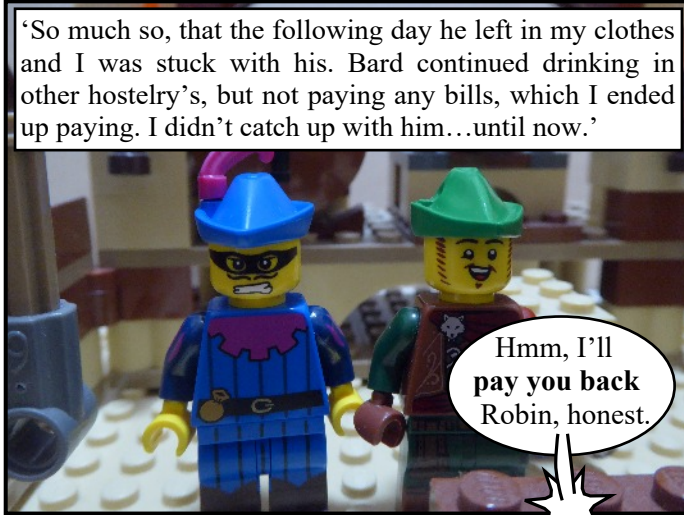

At another hostelry.

I was going  
to create merry hell,  
but if you are willing  
to **pay Robin's bill,**  
I'm happy.

'I was staying in the same hostelry with the Bard, who at the end of the evening was the worst for his drinking.'

'So much so, that the following day he left in my clothes and I was stuck with his. Bard continued drinking in other hostelry's, but not paying any bills, which I ended up paying. I didn't catch up with him...until now.'

Hmm, I'll  
**pay you back**  
Robin, honest.

Good,  
We're all  
here.
