SIR  
DE FENDER

Local council  
election day tomorrow.  
Should I vote for  
Strong or Strain?  
I can't decide.

GET YOUR  
**MERCURY. GUARD**  
**BEING HUNTED.**  
**READ ALL**  
**ABOUT IT! \***

I've always been a  
**fan** of The Guard. But  
now, I'm not so  
sure...

...maybe he did break that man's arm?

You know  
I didn't House.

I know that  
and so do most of the lads.  
You only outran Terret earlier,  
because he **allowed**  
**you to. \*\***

Guardsvan, Yorkton.

Harrow's  
in deadly earnest  
about you being  
**caught.**

So the  
lads are only going  
to let you **get away**  
so many times.

It maybe  
wise to take a **break.**  
Have a holiday.
