Yorkton Bank, Main Street.

Flying Squad believed to behind robbery of bank!

The daring robbery of a major Yorkton Bank occurred in the early hours this morning. The robbers gained access to the building via the roof and made off with over £500,000. There were no injuries to the night-watchmen, who heard nothing. Artist's impressions of the robbers above suggest that the bank robbers are the so called Flying Squad! Police are appealing for help.
