He thinks he's a gent, but really he's a  
**SCALLYWAG**  
**IN SOLO ACTION!**

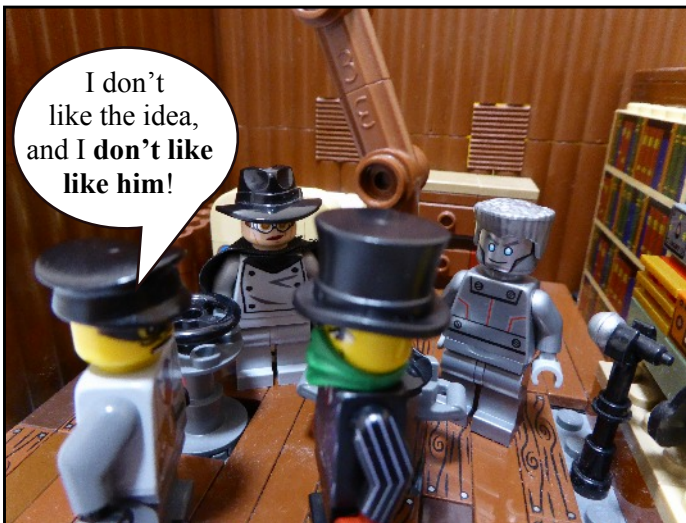

Amazing.  
I go away for a few days  
and come back to this. And  
they complain about me  
having criminal  
tenancies!

I suppose  
they will expect me  
to come to their rescue.  
Why should I? I remember  
the first day I joined the  
Squad.

The Guard  
was his usual  
diplomatic self...

I don't  
like the idea,  
and I don't like  
like him!

The Grey Shadow's  
reaction was a little  
bit more **difficult**  
to gauge...

You must find  
things **very quiet** on this side  
of the pond. No blazing gun  
battles everywhere.
