

That old lady last night **looked like The Guard**. No, couldn't be. What would he be doing out here? Mmm, Pierrot's already **flown the coop**. But he won't escape me.

That shout last night, alerting me to the muggers, **sounded like The Grey Shadow**. No, couldn't be. What would she be doing out here? Good job done last night. Hope the muggers get a **long jail sentence**.

* This is a phrase from a BBC comedy programme, The Goon Show which was broadcast between 1951 and 1960, featuring Spike Milligan, Harry Secombe and Peter Sellers. The catchphrase was for Milligan's character, Little Jim.
