CAUGHT IN HIS OWN SNARE!

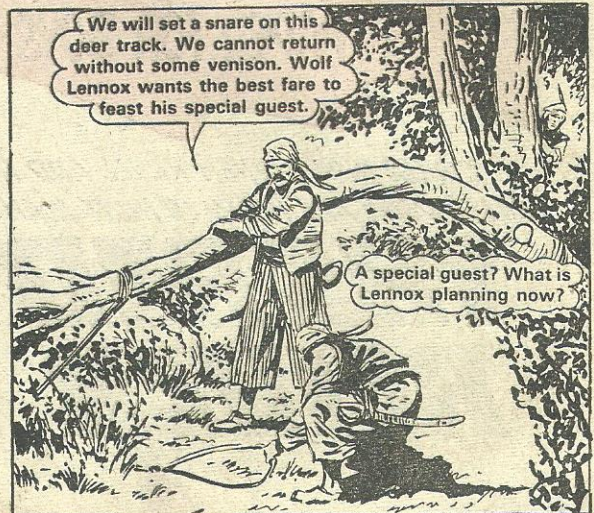

THE RED REIVER

ALAN CALVERT, known as the Red Reiver from the red feather he wore in his bonnet, had vowed vengeance on Wolf Lennox and his pirates, who had driven Alan from his land and tried to drown him. One day—

Two of Lennox's men out hunting. Now it is their turn to be hunted!

A special guest? What is Lennox planning now?

You did not ask my permission to take deer on my land, friends.

Calvert!

Aagh!

You have tasted your last venison!

Get back! That's where I want you, friend!

Zounds!

Aagh!

You set the snare well!
