

Takahashi's Laboratory.

And it doesn't take a genius to workout that this was done by **Kingfish**. Who also sent me the threatening note. Luckily my spy in his camp was able warn me about the **robots exploding**.

Later

You were correct, Guard. My robots **programming** was **tampered** with. But I'll make sure that can't happen again.

I hope I was in time to **stop** the robots before anyone got **hurt**.
